

Incline Beach Stormwater Collection and BMP Improvements

Project Number	01.01.01.0206		
Action Priority	Reduce Stormwater Pollution From: Roads and Highways, Forest Roads, Public and Private Parcels		
Implementers	Incline Village General Improvement District		
Supporting Agencies			
Primary Contact	HUDSON KLEIN (hwk@ivgid.org)		
Stage	Terminated	Duration	2022 - 2023
Total Project Cost	\$100,000	Funding Request	\$100,000

Stormwater Management Program ➤ Reduce Stormwater Pollution From: Roads and Highways, Forest Roads, Public and Private Parcels

Incline Beach currently receives stormwater runoff from both Washoe County road facilities and the internal parking area for the Incline Beach. Existing SW channels are undersized and routinely are overwhelmed and eroded during large runoff events. The Project proposes to improve the existing conveyance facilities channel to reduce SW velocities and minimize erosion and sediment transport to Lake Tahoe.
