

Burnt Cedar/Lakeshore Blvd Water Quality Improvement Project

Project Number	01.01.01.0211		
Action Priority	Reduce Stormwater Pollution From: Roads and Highways, Forest Roads, Public and Private Parcels		
Implementers	Washoe County, NV		
Supporting Agencies			
Primary Contact	Domi Fellers (dfellers@ntcd.org)		
Stage	Planning/Design	Duration	2026 - 2028
Total Project Cost	\$1,000,000	Funding Request	\$1,000,000

Stormwater Management Program ➤ Reduce Stormwater Pollution From: Roads and Highways, Forest Roads, Public and Private Parcels

This is a water quality improvement project located in Incline Village. The area is highly connected to Lake Tahoe and is a priority treatment area due to a relatively large baseline FSP load. The project proposes to install stormwater treatment BMPs and shoulder stabilization within the existing Washoe County right-of-way and undeveloped public parcels, providing treatment for urban stormwater runoff to meet the Lake Tahoe TMDL. This project is on the 5-year list. Once funding is secured, Washoe County intends to hire a consultant and begin planning and design of this project in 2025.

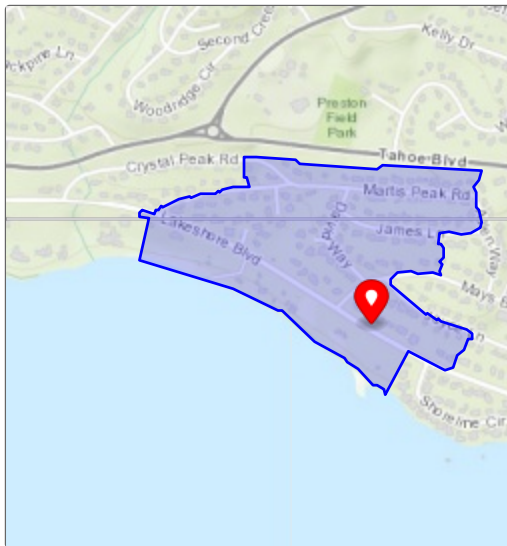

Targeted Performance Measures

- Acres of SEZ Restored or Enhanced
- Miles of Roads Decommissioned or Retrofitted

Threshold Categories

- Water Quality

Location

shallow Lakeshore Blvd ditch erodes and overflows during runoff events.

Targeted Funding

- Targeted Funding: Lake Tahoe Restoratio... (USFS - LTBMU), \$375,000
- Targeted Funding: Tahoe Bonds Act (NDSL), \$545,000
- Targeted Funding: Washoe County General Fund (WACO), \$55,000
- Targeted Funding: WQ Mitigation Funds (TRPA), \$25,000
