

## Stormwater Treatment Facilities Operations and Maintenance – Douglas County

Project Number	01.01.02.0015		
Action Priority	Operate and Maintain Stormwater Infrastructure		
Implementers	Douglas County, NV		
Supporting Agencies	Unknown		
Primary Contact	Courtney Walker (cwalker@douglasnv.us)		
Stage	Implementation	Duration	2015 - 2045
Total Project Cost		Funding Request	Unknown

### Stormwater Management Program ➤ Operate and Maintain Stormwater Infrastructure

Annual Stormwater Treatment Facilities Operations and Maintenance – Douglas County. If these costs are tracked as part of other maintenance, such as roadway maintenance, implementers should record \$0 for this project and make a notation in the notes field of this project and the notes field of the larger maintenance project, providing as much detail as possible about expenditures related to stormwater treatment operations and maintenance. Estimates are fine.
