

Tahoe Keys East Channel Bubble Curtain

Project Number 01.03.01.0036
Action Priority Prevent, Control, or Eradicate Aquatic Invasive Species
Implementers Tahoe Regional Planning Agency
Supporting Agencies League to Save Lake Tahoe, Tahoe Regional Planning Agency
Primary Contact Dennis Zabaglo (dzabaglo@trpa.gov)

Stage	Implementation	Duration	2020 - 2025
Total Project Cost	\$19,000	Funding Request	\$0

Aquatic Invasive Species Program > Prevent, Control, or Eradicate Aquatic Invasive Species

Bubble curtains are demonstrating the ability to restrict invasive aquatic plant fragment spread. A bubble curtain system is being installed in the East Channel of the Tahoe Keys to prevent plant fragments from leaving the East Channel and spreading to other areas of Lake Tahoe.
