

## Pineland Forest Fuels Reduction

**Project Number** 02.01.01.0006  
**Action Priority** Reduce Hazardous Fuels  
**Implementers** California Tahoe Conservancy  
**Supporting Agencies** Unknown or unspecified  
**Primary Contact** Whitney Brennan (whitney.brennan@tahoe.ca.gov)

**Stage** Completed  
**Duration** ? - 2009  
**Total Project Cost** \$48,795  
**Funding Request** \$0

### Community Wildfire Protection Program > Reduce Hazardous Fuels

The Conservancy treated 13 acres in the Pineland project, located south of Tahoma and north of Blackwood Canyon. Treatment consisted of hand thinning by chipping and broadcasting of the thinned vegetation. Project Description required
