

## South Tahoe High School Fuels Reduction Project

**Project Number** 02.01.01.0159  
**Action Priority** Reduce Hazardous Fuels  
**Implementers** City of South Lake Tahoe  
**Supporting Agencies** U.S. Forest Service - Lake Tahoe Basin Management Unit  
**Primary Contact** Jay Manning (jmanning@Cityofslt.us)

**Stage** Planning/Design      **Duration** 2024 - 2027  
**Total Project Cost** \$321,289      **Funding Request** \$0

### Community Wildfire Protection Program > Reduce Hazardous Fuels

The Fuels Reduction Prescription outlined herein presents a comprehensive plan for mitigating wildfire risk and enhancing safety in the vicinity of South Lake Tahoe High School. Spanning a total of 80.1 acres, including areas both adjacent to and within the high school grounds, this project addresses the critical need to reduce fuel loading and create defensible space to protect students, staff, and surrounding communities. The project area encompasses 80.1 acres located adjacent to and within South Lake Tahoe High School.
