

Liberty Utilities Pioneer Trail Undergrounding- Black Bart to Washoan.

Project Number	02.01.02.0011		
Action Priority	Implement Defensible Space on Public and Private Parcels and Utility Corridors		
Implementers	Liberty Cal Peco Electric, El Dorado County, CA		
Supporting Agencies	Liberty Cal Peco Electric		
Primary Contact	Frank Papandrea (fpapandrea@vailresorts.com)		
Stage	Completed	Duration	2013 - 2019
Total Project Cost	\$2,188,860	Funding Request	\$0

Community Wildfire Protection Program ➤ Implement Defensible Space on Public and Private Parcels and Utility Corridors

Existing utilities are placed underground through the Rule 20A Program. The County and City coordinate establishment of underground utility districts in consultation with the utility providers and the public in order to facilitate the work. Rule 20A projects are focused in areas that 1) undergrounding will avoid or eliminate an unusually heavy concentration of overhead facilities, 2) where the street or road is extensively used by the general public and carries a high volume of pedestrian or vehicular traffic, or 3) the street or road adjoins or passes through an area of scenic interest. This project is located along Pioneer Trail, approximately from Black Bart Ave to Jicarilla Dr.

Targeted Performance Measures

- Miles of Utility Lines Buried Underground

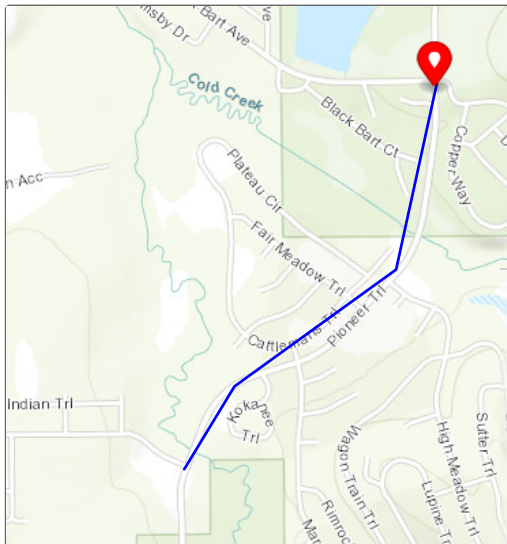

Threshold Categories

- Scenic Resources

Pioneer Trail near Tahoe Sierra

Location

Targeted Funding

■ Secured Funding: Liberty Utilities (Liberty), \$2,188,860
