

West Shore Water Storage Augmentation

Project Number	02.01.03.0009		
Action Priority	Upgrade Priority Water Infrastructure to Fight Catastrophic Wildfire		
Implementers	Tahoe City Public Utility District		
Supporting Agencies	Tahoe City Public Utility District		
Primary Contact	Kim Boyd (kboyd@tcpud.org)		
Stage	Planning/Design	Duration	2021 - 2030
Total Project Cost	\$9,519,129	Funding Request	\$9,103,686

Community Wildfire Protection Program > Upgrade Priority Water Infrastructure to Fight Catastrophic Wildfire

The Project will improve storage capacity to meet fire flows along the west shore of Lake Tahoe. The Project will analyze the suitability of 4 water storage tanks, and associated transmission main layout within the TCPUD west shore service area to establish a common static hydraulic grade line, increasing storage capacity to meet fire flows. Phase I is the construction of two new water tanks
