Stage	Completed	Duration	? - 2012
Total Project Cost	\$2,859,965	Funding Request	\$0

Sustainable Recreation Program > Improve Public Recreation Facilities

Phase 1A of the California/Nevada bi-state park included construction of a road to day use area with 26 parking spaces, 6 equestrian parking spaces and SST bathroom on the Nevada side, and an entrance road and 10 parking spaces near the interpretive barn on the California side, and underground utilities to support subsequent phases.
