

Round Hill Pines Resort Retrofit

Project Number	03.01.02.0047
Action Priority	Improve Public Recreation Facilities
Implementers	U.S. Forest Service - Lake Tahoe Basin Management Unit
Supporting Agencies	Unknown or unspecified
Primary Contact	Brian Garrett (brian.garrett@usda.gov)

Stage	Implementation	Duration	2008 - 2027
Total Project Cost	\$4,617,000	Funding Request	\$0

Sustainable Recreation Program > Improve Public Recreation Facilities

Retrofit access road to improve visitor safety and water quality protection, improve pier and other resort facilities. BMP retrofit plans were incorporated into the Forest Service's prospectus for a new 30-year special use permit to operate the facility and bring it into compliance with regulations including those that protect Lake Tahoe's water clarity. Pier replacement completed.

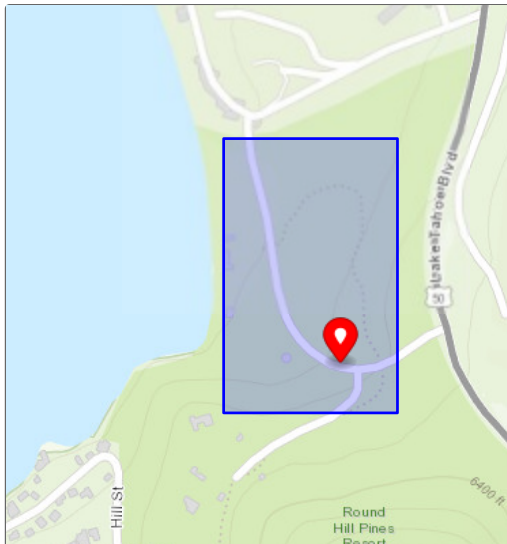

Targeted Performance Measures

No Expected Accomplishments provided

Threshold Categories

- Water Quality

Location

Roundhill Access Ramp

Targeted Funding

- Secured Funding: Unknown or Unassigned, \$2,800,000
- No Funding Source Identified
