

Tahoe State Recreation Area Campground Pier Rebuild and ADA Access

Project Number 03.01.02.0117
Action Priority Improve Public Recreation Facilities
Implementers California Department of Parks and Recreation
Supporting Agencies California Department of Parks and Recreation
Primary Contact Rich Adams (rich.adams@parks.ca.gov)

Stage	Planning/Design	Duration	2021 - 2025
Total Project Cost	\$295,000	Funding Request	\$0

Sustainable Recreation Program > Improve Public Recreation Facilities

Construct a new pier at Tahoe State Recreation Area Campground in Tahoe City. With the completion of the bike path adjacent to the campground, substantial increased use of campground trails and pier is causing degradation of infrastructure. Some boards on the pier have been replaced for public safety but the pier and its pilings need to be rebuilt in entirety. Additionally, CDPR would like to improve ADA access from the paved bike path to campground trails and pier.
