Primary Contact	Kevin Fromherz (kfromherz@parks.nv.gov)		
Stage	Planning/Design	Duration	2024 - 2025
Total Project Cost	\$512,000	Funding Request	\$0

Sustainable Recreation Program > Improve Public Recreation Facilities

The current Sand Harbor layout was designed in 1970 and improperly designed for the current visitation. This project will update the 1990 master plan for the park and create a sustainable vision for the future of Sand Harbor. The master plan will then be implemented in a series of EIP projects to improve traffic flow, recreation experience, and sustainability of the site.
