Supporting Agencies	California Department of Transportation, California Department of Transportation, California Department of Transportation, U.S. Federal Transit Administration		
Primary Contact	Jason Burke (jburke@tahoetransportation.org)		
Stage	Planning/Design	Duration	2025 - 2030
Total Project Cost	\$10,000,000	Funding Request	\$2,356,192

Transportation Program ➤ Build and Enhance Transit Systems

This project consists of preventive maintenance; enhancements to transit services, such as street furniture replacement and expansion; improved Management Information Systems; IT enhancements, such as cable and fiber access; ADA improvements; and safety & security enhancements. This project includes the purchase/replacement of 10 buses at a cost of \$10,000,000 and may include other fleet vehicles and/or related equipment. The buses will be a mix of battery electric and clean hybrid-diesel.

Example of newer bus

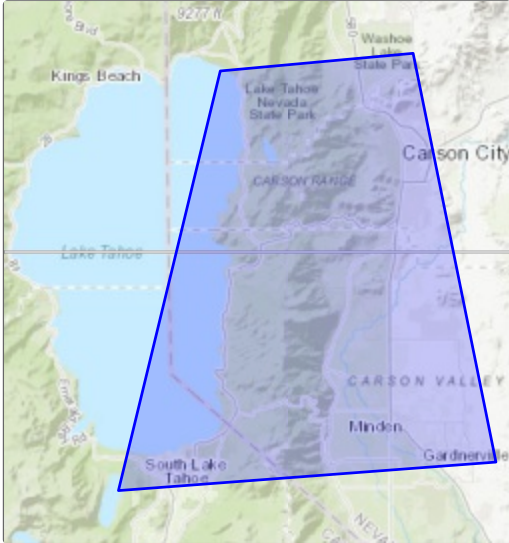

Targeted Performance Measures

- Facilities Improved or Created

Threshold Categories

- Transportation and Sustainable Communities
