Transportation Program ➤ Build and Enhance Trail Networks

The project includes: Off street Class 1 multi-use path on Al Tahoe Blvd adjacent to middle school, from US 50 to Johnson Blvd, Class 2 bike lanes on both sides Al Tahoe (same length), driveway narrowing and reduction at bus barn and intersection improvements at both ends. Sidewalks constructed by SW Gas in 2017 adjacent to the retail center were leveraged as part of the project by the City. Improvements include City standard streetlights for the full length of the path. Construction of improvements occurred in the summer of 2020 with final touches to complete the Project in the spring of 2021.
