Transportation Program > Build and Enhance Trail Networks

Open to the public in fall 2023, the Class I shared use path between West San Bernardino Ave and East San Bernardino Ave provides a connection over the Upper Truckee River and provides access to Washoe Meadows State Park, Tahoe Paradise Park, and the Meyers Elementary School in the community of Meyers. The project links the bike lane facilities along North Upper Truckee Rd from the west and Apache Ave to the east via a Class 3 (bike route) through signage along West San Bernardino Ave and East San Bernardino Ave.
