

Marlette Lake to Hobart Access Reconstruction

Project Number	03.02.02.0057
Action Priority	Build and Enhance Trail Networks
Implementers	Nevada Tahoe Resource Team – Nevada Division of State Parks, Nevada Tahoe Resource Team
Supporting Agencies	Unknown or unspecified
Primary Contact	Kevin Fromherz (kfromherz@parks.nv.gov)

Stage	Completed	Duration	2015 - 2015
Total Project Cost	\$257,048	Funding Request	\$0

Transportation Program ➤ Build and Enhance Trail Networks

The existing Marlette to Hobart segment was heavily used and effects of use and erosion were impacting the integrity of the road. The project included stabilization of eroded areas, protection of wet areas, and installation of more effective BMPs to ensure continued access along this segment. Reconstruction of the road took place within the existing prism in 2015.
