

South Tahoe Greenway Shared Use Trail Planning and Future Phases

Project Number	03.02.02.0076		
Action Priority	Build and Enhance Trail Networks		
Implementers	California Tahoe Conservancy		
Supporting Agencies	California Tahoe Conservancy		
Primary Contact	Scott Cecchi (scott.cecchi@tahoe.ca.gov)		
Stage	Completed	Duration	2002 - 2022
Total Project Cost	\$1,599,526	Funding Request	\$0

Transportation Program > Build and Enhance Trail Networks

The Dennis T. Machida Memorial Greenway envisions paved trail connections from Sierra Boulevard to Van Sickle Bi-State Park, creating the second leg of the non-motorized transportation network in South Shore. Project approval occurred in 2011 and the 3.86 mile trail, including neighborhood connectors, is being constructed in phases. Phases 1a, 1b, and 2 are complete, and Phase 1c planning was recently initiated, with details reported under separate EIP projects. Phase 3 implementation is postponed. The Upper Truckee Bridge at Johnson Meadow project will extend the Greenway to the South Tahoe WYE. Future projects could extend the Greenway to Meyers.
