

South Tahoe Greenway - Upper Truckee Bridge at Johnson Meadow

Project Number 03.02.02.0085
Action Priority Build and Enhance Trail Networks
Implementers El Dorado County, CA, Tahoe Resource Conservation District
Supporting Agencies Tahoe Regional Planning Agency, U.S. Federal Highway Administration
Primary Contact Donaldo Palaroan (donaldo.palaroan@edcgov.us)

Stage	Planning/Design	Duration	2020 - 2027
Total Project Cost	\$9,153,626	Funding Request	\$8,288,846

Transportation Program > Build and Enhance Trail Networks

The South Tahoe Greenway - Upper Truckee Bridge at Johnson Meadow Project will build upon the overall South Tahoe Greenway shared use path network through the south shore of Lake Tahoe. The Project aims to construct approximately 1.2 miles of a Class 1 shared use path and replacing a heavily trafficked bridge over the Upper Truckee River damaged by the 2017 winter storms. The Project will provide active transportation users a critical link to Barton Hospital from the west and the Tahoe Sierra neighborhood and the Lake Tahoe Community College to the east.

Summer 2017, bridge not connected to West side

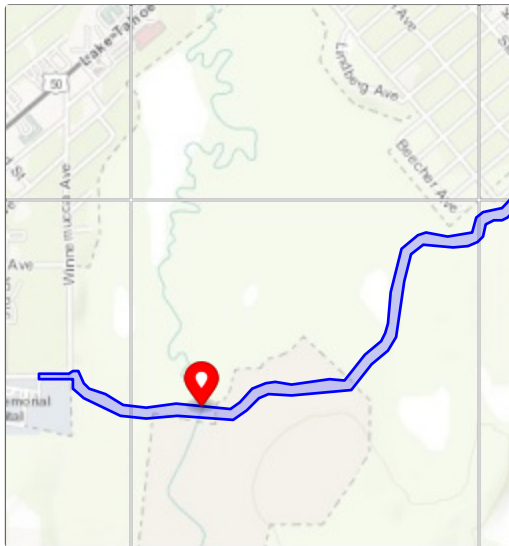

Targeted Performance Measures

- Miles of Pedestrian and Bicycle Routes Improved or Constructed
- Miles of Trails Developed or Improved

Threshold Categories

- Recreation

Location

Targeted Funding

■	Secured Funding: AQ Mitigation Funds (TRPA), \$95,780
■	Secured Funding: Surface Transportation Block ... (FHWA), \$769,000
■	Targeted Funding: AQ Mitigation Funds (TRPA), \$675,346
■	Targeted Funding: California Active Transpo... (Caltrans), \$6,113,500
■	Targeted Funding: Congestion Mitigation and Air... (FHWA), \$1,000,000
■	Targeted Funding: Surface Transportation Block ... (FHWA), \$500,000
