

## Lake Tahoe Boulevard Buffered Bike Lane Project

<b>Project Number</b>	03.02.02.0119	<b>Duration</b>	2030 - 2034
<b>Action Priority</b>	Build and Enhance Trail Networks	<b>Funding Request</b>	Unknown
<b>Implementers</b>	El Dorado County, CA		
<b>Supporting Agencies</b>	Unknown		
<b>Primary Contact</b>	Donaldo Palaroan (donaldo.palaroan@edcgov.us)		
<b>Stage</b>	Planning/Design		
<b>Total Project Cost</b>	\$2,500,000		

### Transportation Program > Build and Enhance Trail Networks

This project aims to add safety improvements along Lake Tahoe Blvd from Sawmill Rd to Viking Rd/D St. Key features of this project include, but not limited to: providing a safer and more comfortable space for cyclists by creating a designated cycling lane with an additional buffer zone between cyclists and motor vehicles; providing dedicated turn lanes at the Industrial Ave intersection, and tying into the City of South Lake Tahoe's recently completed Lake Tahoe Boulevard Class 1 Bicycle Trail (03.02.02.0077).
