Total Project Cost	\$104,660,000	Funding Request	\$0

Transportation Program ➤ Operate and Maintain Transit Systems

This project is for the acquisition, environmental, design, and construction of a new all-weather maintenance and administration facility (MAF) located in Douglas County to service 75 buses. The MAF is envisioned to house the buses in a climate controlled environment and includes an automated vehicle wash, fuel islands, electric charging infrastructure, repair bays, paint/decal bays, fabrication shop, operations center, administrative offices, dispatch center, training facilities, meeting space, and storage areas.
