Project Number	04.01.01.0019		
Action Priority	Conduct Applied Scientific Research		
Implementers	U.S. Forest Service - Pacific Southwest Research Station		
Supporting Agencies	Unknown		
Primary Contact	Pat Manley (pmanley@fs.fed.us)		
Stage	Deferred	Duration	?
Total Project Cost	\$200,000	Funding Request	Unknown

### Science Program ➤ Conduct Applied Scientific Research

Conduct Synthesis Research to Better Understand how Factors Associated with Urbanization Change Habitat (Loss, Alteration, Enhancement) for Wildlife and Vegetation and What Can Be Done to Mitigate Urban Influences.
