Tahoe Integrated Information Management System (TIIMS)

LAKE TAHOE ENVIRONMENTAL IMPROVEMENT PROGRAM

Project Number	04.01.02.0007
Action Priority	Implement Programmatic Monitoring and Reporting
Implementers	Tahoe Regional Planning Agency
Supporting Agencies	Unknown or unspecified
Primary Contact	Kat McIntyre (KMcIntyre@trpa.gov)

Stage	Terminated	**Duration**	?
Total Project Cost	$214,000	**Funding Request**	$0

Science Program ❯ Implement Programmatic Monitoring and Reporting

This project will help facilitate the Lake Tahoe's Environmental Improvement Program's (EIP) program-wide effectiveness reporting and help Total Maximum Daily Load (TMDL) implementation by utilizing an existing data management tool: the Tahoe Integrated Information Management System (TIIMS).
