Stage	Implementation	Duration	2008 - ongoing
Total Project Cost		Funding Request	Unknown

Stewardship Program > Engage Communities in Environmental Stewardship

The South Tahoe Environmental Education Coalition (STEEC) is a network of more than 20 local agencies and organizations that collaborate to bring environmental education resources to the Tahoe Basin. As stated in our mission and goals, STEEC is "dedicated to bringing high quality environmental education programs and projects to Lake Tahoe youth." STEEC has created and implemented new programs for Lake Tahoe Unified School District (LTUSD) schools, reaching thousands of students each year.

Targeted Performance Measures

- Educational and Interpretive Programs Produced
- People Served

Threshold Categories

- Air Quality
- Noise
- Scenic Resources
- Vegetation Preservation
- Wildlife
- Fisheries
- Recreation
- Soil Conservation
- Water Quality

Location

Targeted Funding

No Targeted Funding Sources identified

Photos

Before

South Tahoe Fire and Rescue works with 5th graders.

During

Reading Forest Field Trip at Taylor Creek

John Littleton with Sierra Avalanche Center teaches students how to discern the shapes of the snow crystals and the protocol used in the backcountry to test the snowpack.

After

The South Tahoe Refuse Station's lesson involved a waste sorting relay race, which was a hit with the energetic students.
